Report on Industrial Visit (M.com 2020)

Industrial visit is an important pedagogy of bridging the gap between class room learning and practical application of any subject. An Industrial visit was arranged by Department of PG Studies for a batch of 50 students of I and II year M.com to Mysore silk and Mysore sandal soap factory at Mysore on **22nd April 2020** accompanied by three staff members Mr.Mohammed Nawaz, Mr.Banu Prakash and Ms.Deepa.V. At 11:30 am students arrived at Mysore sandal soap factory and we were well received by the HR manager of the unit and divided students in to two batches, each batch was accommodated in the conference room for brief introduction and history of factory, further he gave an overview of various production lines, departments and various products which are manufactured at plant. During the visit to different process students had queries and these were well clarified by the manager.

Later at 2:30 students were taken to Mysore silk and after security check they were allowed to walk through various processes and departments of silk manufacturing plant and students were given clear understanding of the process right from converting silk to cloth to stitching to polishing.

Industrial Visit to Sandalwood Oil Factory and Karnataka
Silk Industries, Mysore on 23rd April 2019
